

Audiovisual Experimental Art to brake the limits

Deadline for applications - August 16, 2009

A space where everything can happen.

Fluid is a new media movement that focuses in the potential of emerging audiovisual artists, without consideration of gender or where they come from.

Fluid in its second edition, will continue collecting audiovisual pieces and ideas, and will present them in a collaboration with its partners; Local Project, Queens Museum of Art, el Museo del Barrio, and the Moviehouse.

Fluid opens the scene to a new movement of audio visual & performing arts in educational and screening spaces that have cultural programming.
